VOLUNTEERS PREPARE FOR ACTION AT CAMP SHELBY

CAMP SHELBY, Miss., June 11--Newly-inducted volunteers from the relocation centers are arriving daily, in groups and individually. On reporting to the Combat Team they are immediately assigned to companies and their training starts. The new men already have been inducted and processed at various reception centers before they arrive here. Company commanders here check their equipment, replenish it where necessary, and send them to special recruit units where they are put through a program designed to catch them up with their regular companies who are already well into their basic training.

Regimental Headquarters has started a series of schools for non-commissioned officers and applicants for Officer Candidate Courses. Completion of these courses does not mean that the students will go to Officer Candidate Schools but the studies should prove highly advantageous.

The Mainland youths appear particularly keen and eager to get on with their training. Early opportunity to enter Officer Candidates School offers a distinct incentive but beyond that is the desire of the soldier to get himself in condition as early as possible and master the rudiments of Combat Team training. Off

hours are spent in serious study of military and technical manuals. "Go for Broke" is the regimental motto and the newly-arrived soldiers are quick to subscribe to its unit. It means "Shoot the Works" or "Risk All". Proud that they are volunteers with a strong desire to make a name for patriotic Japanese Americans, the men from the Relocation Centers are definitely determined to "go for broke" in the war against Axis enemies.

Next to getting in fighting trim, the newly-arrived soldier seems most anxious to get in touch here with volunteers from other Relocation Centers. As soon as they find time, there is a lively bit of scurrying around the regimental area to see whether "Joe" or "Tom" from another Center is here, and if they locate each other there are impromptu, joyful reunions.

The new men from the Mainland also seem anxious to get acquainted with their comrades from Hawaii. They are mingled together in the various companies without regard to their geographical origins.

LETTER DESCRIBES LIFE AT BOISE

Writing from Boise, Idaho to James Davis, garage foreman, were three former Tulseans, Harry Tsumura, Stanley Okada, and Richard Hamada. They wrote:

... "At first we were very doubtful as to a happy outlook here but one day of shopping and walking around the town of Boise quickly changed our point of view. I guess after being in a camp for one year has made us scared but talking to the people in Boise we need no fear."

... "After only being here for a day we felt we should of come here sooner."

... "If all should go as well as now we expect to make this our permanent residence."

Stardusting
G.J.N.

EUGENE OKADA:

... of the "Our Town" fame is adopting malicious name-calling devices in his column read by an innocent public of 14,000 easily-swayed minds. In the last column of June 7, he called us "mercenary slave-drivers," which is misleading and unbiased.

In typical Walter Winchell fashion, Okada suggested that we exploited the assistance of the Girl Reserves for our "pleasure." This, we vigorously deny. All in all, he had misconstrued efficiency and co-ordination as slave-driving. It may be said that during the two days that the girls worked at the DISPATCH, we noticed Okada ogling and drooling away at them. And I mean No Lie!

Mrs. A. Kumamoto's Girl Reserves came to the office like swarms of locusts through a cornfield and completed the work which would have required the regular staff a week. About a year ago at this time, Elaine Ishikawa with the help of Jean Nagata, Yasuko Mizoue, etc., all of whom have already resettled, laid the groundwork for one of the largest and well-knit organizations of this community.

ARTIST AND LOVER,

... Oliver Noji, who recently became engaged; is the worst hypocrite. Only a few weeks ago, Noji expounded the danger of matrimony at a forum, and now his head is aloft a cloud of ecstasy of first (?) romance.

AT THE REC PARTY

... for departing Paul Fleming, we were entertained by the "Downbeats" in the best of Harlem style. Riki's chanting seems to be more audible than the band itself. His face becomes twitched and passionate when he pours out the "sweet stuff." Mabel Sugiyama, whom we used to know as an accomplished concert pianist back home, pounds the ivory keys for him.

FOUR TO ATTEND G.R. CONFERENCE

Delegates to the sectional Girl Reserves conference which will be held at Camp Lookout, Golden, Colorado from June 16 to 26, were announced by Fusako Miyasaki, secretary of the local Girl Reserves.

Those who will go to the confab are May Osuga, Michi Ishii, May Okamura and Toshi Iwasaki. Miss Miyasaki will chaperone the group. The delegates are to leave the project on Monday, June 14.

Swing Concert Tonight Starts City Dance Week

With such hot "jives" as "Back Beat Boggie," "9:20 Special" and "Bassie Boogie" being featured, the Downbeats will open the local Dance Week tonight at #1020 from 7:30 p.m. with a Swing Concert.

The Downbeats, band leader Riki Matsufuji claims, will have the audience "cuttin' the rug" before the evening is over.

Members of the Downbeats are: Mabel Sugiyama, piano; Al Nitta, sax; George Nakao, sax; Tosh Makishima, sax; Hayao Motoyama, sax; Frank Suzuki, trumpet; Woodie Ichihashi, trumpet; Norman Ishimoto, trumpet; Sam Himoto, trombone; Richard Muraoka, guitar; Don Johnson, bull fiddle; and Sam Mayeda, drums.

The Dance Week, which is sponsored by the Recreation dance department will have Japanese classical dancing, variety show, June Jive Dance and Sadie Hawkin's Hop during this week.

TRI-STATE THESPIANS

Present Good Program

The high school thespians gave a good account of themselves in their first production during the last week at the Little Theater. Under direction of Miss Jeanette Smoyer, dramatic instructor at Tri-State high school, the young performers offered three one-act plays.

36 IS UPSET BY BLOCK 32

Fourth place Block 32 pulled a stunning upset in the Ward III League by dumping a previously undefeated and highly favored Block 36 team by a 9-7 count Thursday evening.

This throws the title race into such a position that the 36'ers must take their final game or there will be at least a two-way tie for first.
